

BECOMING A SPONSOR @ ProLiN2019

*(Protein Lipid Nanostructures: from domains to devices)
Bilbao, July 25-27, 2019*

WHAT TO EXPECT AT OUR MEETING?

The meeting will bring together up to 150 researchers interested in processes happening on cellular membranes at nanoscales. Our invited speakers are world leading scientists in the subjects of synthetic membrane networks and carriers, lipid bilayer-based devices, theoretical approaches to soft matter as well as mesophases and their applications.

HOW WILL YOUR FUNDS MAKE AN IMPACT?

Your sponsorship will help us support research grants, fund scholarship for predoctoral students and help cover meeting expenses.

HOW MANY VIEWS WILL YOUR AD HAVE?

We estimate that your ad will reach more than 1000 researchers from a broad variety of research fields. Take advantage of the multiple sponsorship, exhibitor, and ad options we offer your company/ organization.
